Dear Mr. Buterman:

Thank you for meeting with me on May 15, 2014 to discuss transgender issues on behalf of the Trans Equality Society of Alberta (TESA) and for providing me with a copy of *Trans\* Identification in Alberta: A brief analysis to Alberta Human Services*.

I have shared a copy of your report and its recommendations with my colleagues across government who are responsible for the various issues outlined in the report. They will be able to provide further analysis of your recommendations and consider your input for future legislation and regulations and/or their amendments.

Thank you again for suggesting potential options to address these important issues for Transgender Albertans.

Sincerely,
